

ALL-ENERGY 2017 CONFERENCE PROGRAMME

Wednesday 10 May 2017										
09:00-10:30	Opening morning plenary session									
11:00-12:30	Offshore Wind Theatre Sponsored by 	Marine Renewables	Smart Urban Mobility Solutions 2017 Sponsored by 	Sustainable and Smart Cities	Innovate UK infrastructure systems innovation showcase					
	Offshore wind 1 Panel discussion on LCOE of offshore wind and Offshore Wind Market Forecast	Marine renewables 1: Panel discussion: The tidal power LCOE race – who will win, why and by when?	Smart Urban Mobility Solutions 1	Sustainable & Smart Cities 1	Innovate UK infrastructure systems innovation showcase 1 Innovate UK Networking event	Farming/ landowning community: renewable and low carbon energy solutions	Onshore wind 1: Turbine size in Scotland's landscape	Energy systems	Finance & Funding 'The farther back you can look, the farther forward you are likely to see'	TPOcean: ocean energy networking lunch 11:00-13:00
	Visit exhibition	Visit exhibition	Visit exhibition	Visit exhibition	Innovate UK Networking event	H2FC SUPERGEN Hub: Three evidence-based White Papers on the importance of hydrogen and fuel cell technologies 13:00-14:00	Visit exhibition	Visit exhibition	Visit exhibition	
14:00-15:30	Offshore wind 2 Supply chain	Marine renewables 2: Supply chain panel	Smart Urban Mobility Solutions 2	Sustainable cities 2: Energy efficiency and retrofit	Innovate UK infrastructure systems innovation showcase 2	Panel: Hydrogen's role in the future energy system: Spend, scale and timetable? In association with SHFCA	Onshore wind 2: Making the most of your assets – wind farm monitoring, control and optimisation	Czech Republic: renewable and low carbon energy solutions	International cooperation on renewable energy projects in Taiwan 14:00-15:00	Bioenergy 1 Biomass & biogas
	Visit exhibition	Visit exhibition	Visit exhibition	Visit exhibition	Visit exhibition	Visit exhibition	Visit exhibition	Visit exhibition	Organised by National Energy Program-Phase II (NEP-II) Program Office	Visit exhibition
16:00-17:30	Offshore wind 3 Offshore wind trajectory	Marine renewables 3: All-Energy 2017 Marine Renewable Energy Investment Challenge	Smart Urban Mobility Solutions 3	Smart sustainable cities 3	Innovate UK infrastructure systems innovation showcase 3	Offshore renewable energy in Scottish waters – planning, licensing and science for the present and future Organised by Marine Scotland	Energy Storage 1 Making energy storage happen	Grid 1: The Future Power System: Impacts and Opportunities from Transformation Organised by the FPSA Project Team; delivered by The IET and Energy Systems Catapult	Followed by networking from 15:00-17:00	Bioenergy 2 Biomass, biogas & biofuel
18:00	Giant Networking evening at the Glasgow Science Centre – all welcome!									

Thursday 11 May 2017										
09:30-10:30	Day 2 Plenary: The Effects of Brexit on the Renewable and Low Carbon Energy Sectors									
11:00-12:30	Offshore Wind Theatre Sponsored by 	Marine Renewables	Smart Urban Mobility Solutions 2017 Sponsored by 	Low Carbon Heat						
	Offshore wind 4 Floating wind	Marine renewables 4: Focus on wave	Smart Urban Mobility Solutions 4	Low Carbon Heat 1: Setting the scene	Hydropower Organised with the British Hydropower Association	Carbon capture and storage	Energy Storage: 2 Growing the energy storage market	Grid 2: Smart data, Smart meters, Smart grid	Local energy Organised with Local Energy Scotland and Highlands and Islands Enterprise	
	Visit exhibition	Visit exhibition	Visit exhibition	Visit exhibition	Visit exhibition	Visit exhibition	Visit exhibition	Visit exhibition	Visit exhibition	
13:00-14:30	Offshore wind 5 Innovation	Marine renewables 5: Focus on marine energy	Smart Urban Mobility Solutions 5	Low Carbon Heat 2: District heating and smart metering'	The commercial advantages of a joined up energy strategy Organised by Scottish Energy Association	Energy from waste	Energy Storage: 3 New developments in energy storage	Grid 3: Ancillary market and sharing services	Solar	
	Visit exhibition	Visit exhibition	Visit exhibition	Visit exhibition	Visit exhibition					
15:00-16:30	Offshore wind 6: Cabling	Marine renewables 6: Returning to tidal power	Smart Urban Mobility Solutions 6	Low Carbon Heat 3: There's more to low carbon heating than district heating	Onshore wind 3: Challenges and opportunities			Visit exhibition		

QUICK FIRE SEMINAR THEATRES

Wednesday 4 May	Thursday 5 May
Wave and tidal	Offshore Wind sponsored by 
Community Energy	Energy Efficiency

- PLUS! Watch out for our 'Meet the Buyers' 1-2-1 timed meeting programme!
