

Aberdeen All Energy Futures Conference 25th May 2005

Transferring Skills & Knowledge

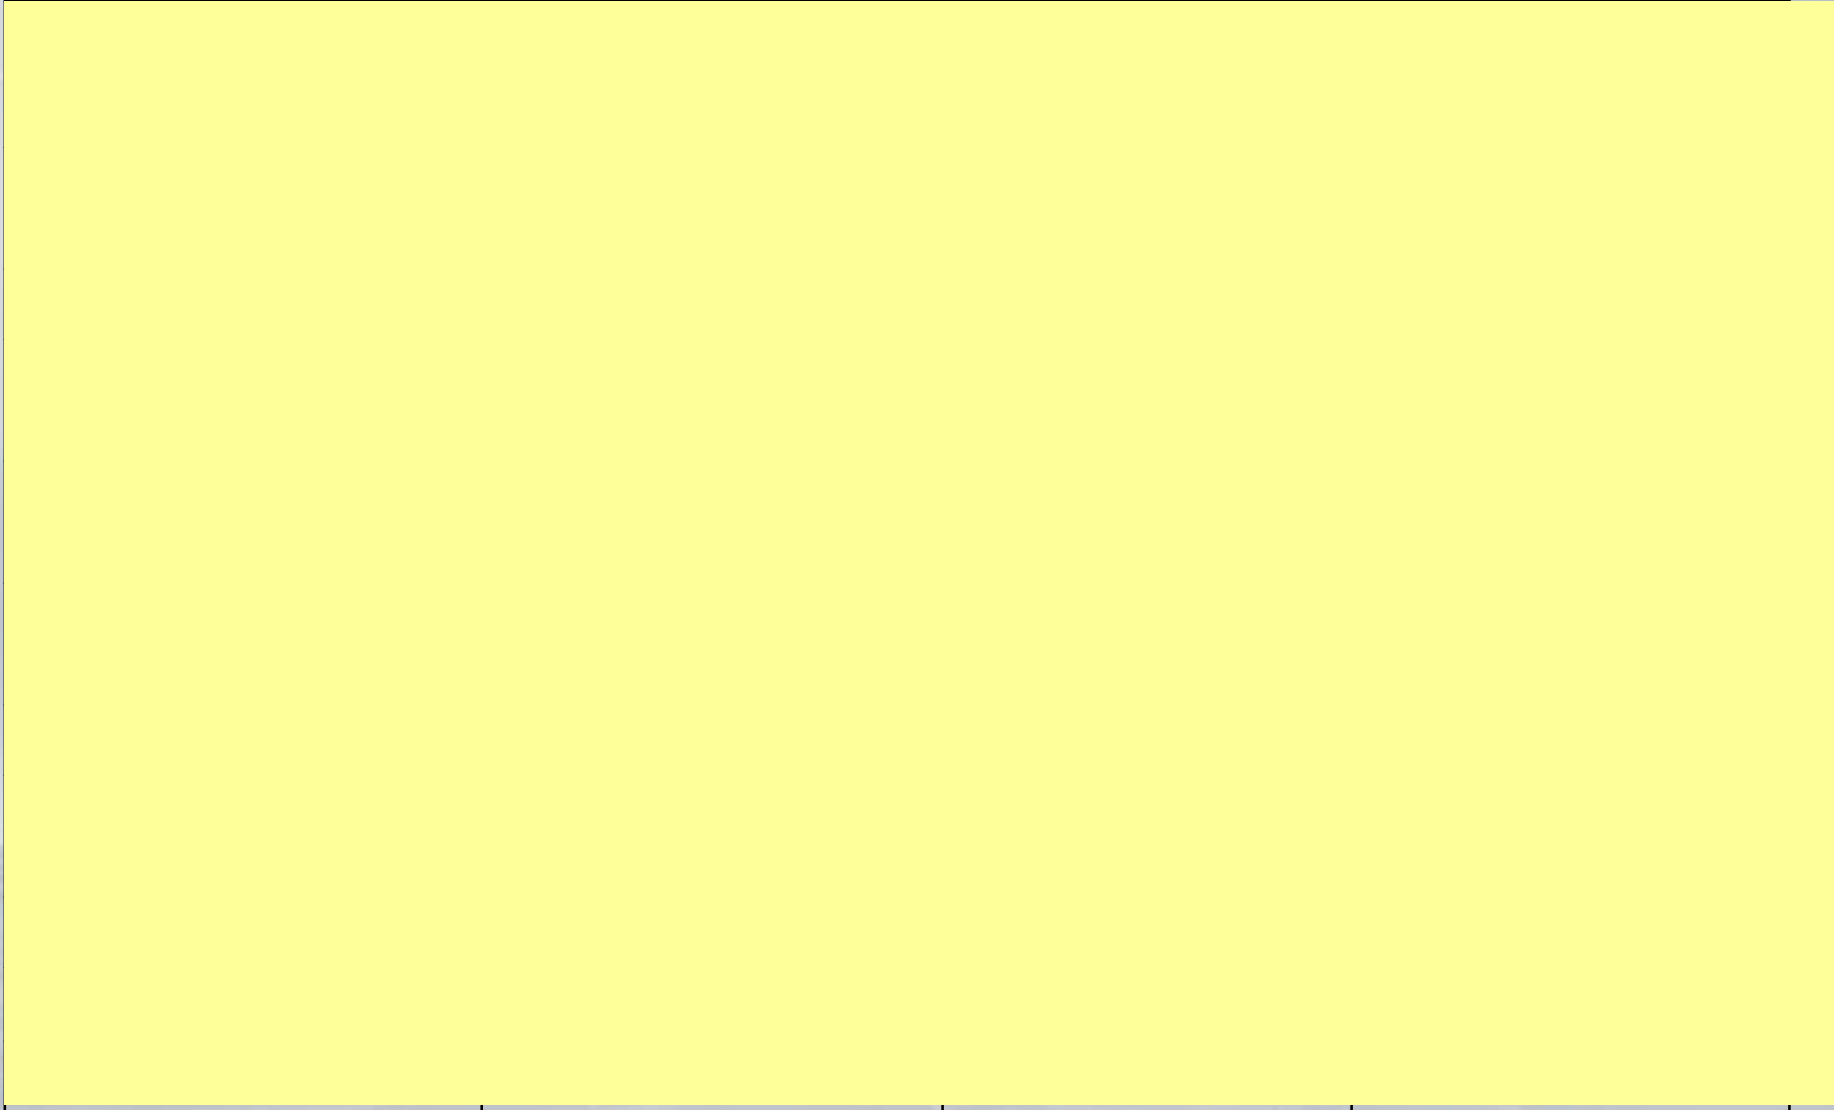

Megan Arnold Business Development Manager – SLP Energy

info@slp-eng.com

Why diversify ?

Skills Required

Where are we starting from?

- **Wind Turbine Manufacturing:**
 - **Technology - Danish and German bases**
 - **Components – Sourced internationally**
 - **Blades – International**
 - **Towers – International**
 - **Onshore Foundations – Local to project**
 - **Offshore Foundations – Denmark, Germany, UK**

Breaking In – Providing Skills

UK	Foreign
Cons:	Cons:

Breaking Into The Skills Chain

UK	Foreign
Pros:	Pros:

Thank You

But no amount of Training & Qualifications can exchange for the confidence and experience and this takes time and money!
