## G12 Group + S5

1. Andrew Liddell, Banks Group
2. Andrew Warrington, EnergieKontor
3. **Barry Carruthers, ScottishPower Renewables**
4. Richard Mardon, Statkraft
5. Duncan Scott, ESB
6. Finley Becks-Phelps, Fred Olsen
7. Frank Elsworth, Vattenfall
8. Heather Donald, SSE
9. John Boyce, RES Group
10. Jon O'Sullivan, EDF Renewables
11. Lesley McNeil, Muirhall Energy
12. Victoria Allen, RWE

1. Andrew Elmes/Clark Macfarlane, Siemens Gamesa
2. Angus Cook, GE Vernova
3. Ben Dowsett, Nordex
4. Rachel Bowes, Enercon
5. Roger Salomone, Vestas

# BVGA: THEMES AND CONTENT

## Themes and content

\* Wholly or partly reserved matters

Supply chain, skills, and circular economy	Community	Land-use and environmental	Planning	Legislative and regulatory*	Technical*
Strategic supply chain investment	Community benefit funds	Biodiversity	NPF4	Revenue and route to market	En-route aviation lighting
Criticality of skills demand and gaps	Considering specific needs of communities	Peatland	Planning timelines	Grid connection	Aviation radar
Potential to increase pace of skills transition	Making bigger impacts	Forestry	Resources within key agencies and stakeholders	Grid investment	Eskdalemuir Seismic Array
Just transition	Community and shared ownership	Footprint at a national level	Repowering	Grid charging	Flight instrument modernisation
Diversity and inclusion		Project clustering		Abnormal loads and turbine component issues	Regional solutions (learning from offshore)
Minimisation waste in supply chain as a challenge and opportunity
