

All-Energy and Dcarbonise 2019 Conference Programmes

Wednesday 15 May 2019												
	Offshore Wind Theatre <i>Sponsored by</i>  (Lomond Auditorium)	Carron	Hall 1	Dochart	M4	M2/M3	Gala	Forth	M1	Dcarbonise Alsh 1 Smart Urban Mobility Solutions (SUMS) Organised with ITS (UK)	Dcarbonise Alsh 2	Dcarbonise Boisdale 1
09:00-10:30	Opening plenary (Lomond Auditorium) Keynote presenters include: Keith Anderson, CEO, ScottishPower, Lord Provost Eva Bolander, The Lord Provost of the City of Glasgow, Rt Hon Nicola Sturgeon MSP, First Minister of Scotland, Chris Stark, CEO, Committee on Climate Change, Councillor Susan Aitken, Leader of Glasgow City Council, Professor Karen Turner, Director Centre for Energy Policy, University of Strathclyde and Just Transition Commissioner											
10:30-11:00	Visit exhibition											
11:00-12:30	Offshore Wind 1 Panel: The Way Forward	Marine Renewable Energy 1 Collaboration: The Way Forward	Innovate UK Clean growth and infrastructure innovation showcase (followed by lunch for those attending)	Energy Storage 1 Preparing for the Electric Revolution: technology, economies and energy – <i>Organised by UK Research and Innovation (UKRI)</i> <i>Sponsored by</i>  BLACK & VEATCH	Bioenergy 1 – Biomass <i>Organised with the REA</i>	Connecting Networks: Multilateral innovation and collaboration ERA NET Smart Energy Systems	Grid 1 Distribution System Operator – opportunities for DER at all scales <i>Sponsored by</i>  Scottish & Southern Electricity Networks	Energy Systems 1 Planning energy transition	Export Day at All-Energy Scotland in 2050: Clean Energy – realising our potential, domestically and internationally <i>Sponsored and organised by</i> 	SUMS 1 Policy and key issues	Energy Efficiency 1 Setting the scene	Positive steps towards onsite industry decarbonisation <i>Organised with the University of Strathclyde's Centre for Energy Policy</i>
12:30-14:00	Visit exhibition		Innovate UK Networking lunch	Visit exhibition								
14:00-15:30	Offshore Wind 2 The Offshore Wind Supply Chain in Action	Marine Renewable Energy 2 Managed Global Collaboration	Innovate UK Innovation Exchange	Onshore Wind 1 Repowering and life extension: Engineering experiences and environmental sensitivities	Energy from waste <i>Organised with the REA</i>	Solar: The state of the solar nation Session lasts until 16:00 with launch of ETP report	The IET's SME Innovation in Energy <i>Organised by The IET</i>	Energy Systems 2 Energy transition in practice	Export Day at All-Energy: Passport to Export Workshop <i>Organised by Glasgow Chamber of Commerce</i>	SUMS 2 Future sustainable mobility systems to address environmental issues	Energy Efficiency 2 Diving in deeper	Carbon Capture and Storage – 1 CO2 storage and negative emissions in a circular economy <i>Organised with Scottish Carbon Capture and Storage (SCCS)</i>
15:30-16:00	Visit exhibition									Visit exhibition		
16:00-17:30	Offshore Wind 3 New frontiers and paradigms	Marine Renewable Energy 3 Moving Tidal and Wave Forward	Finance and Funding: Find it (by investor/funder type AND by type of money), Shape it	Onshore Wind 2 Convergent methodologies: Getting the earliest possible access to the highest quality insights	Bioenergy 2 Biofuel and biogas <i>Organised with the REA</i>	Telling Your Story With Innovate UK	Hydrogen and Fuel Cells			SUMS 3 Environmental challenges in port cities	Smart and Sustainable Cities	Carbon Capture and Storage – 2 Joining it all up: infrastructure to decarbonise heat, transport and industry <i>Organised with Scottish Carbon Capture and Storage (SCCS)</i>
18:00-21:00	Civic Reception, and Giant Networking Evening at Glasgow Science Centre											

Wednesday 15 May – Show Floor Seminar Theatres – 10:30-17:00

The seminar theatres at All-Energy/Dcarbonise are in the heart of the exhibition, benefitting from the buzz and busy-ness of the show.

Offshore Wind

Sponsored by

Community and Local Energy

Energy Storage and Hydrogen Hub

Low Carbon Heat

Energy Efficiency

Including the UKRI 'Industrial Strategy Challenge Fund – Transforming Construction' session

Sponsored by

Research Hub

Associated Events

Tuesday 14 May:

OPERA (Open Sea Operating Experience to Reduce Wave Energy Cost) workshop from 14:30

-Application of the IEC Standards: Real world experience from the OPERA & MET-CERTIFIED Projects. Registration by RSVP f.thiebaut@ucc.ie to book your place and receive further information.

Wednesday 15 May:

Meet the Developer Share Fair

Over the two-day event, All-Energy will host a series of 1-2-1 'speed dating' meetings in the dedicated Share Fair area, located across the exhibition hall above the central boulevard. It's where you can literally 'Meet the Developers' looking to expand their supply chains; and also seek 1-2-1 advice from companies offering to share their experiences so you can mirror their latest achievement.

To see the full programme; attend your pre-booked meetings; or to book a meeting, please visit the Share Fair reception desk, from 11:00-12:45; 13:00-15:00 and (only on day 1) 15:45-17:30.

Thursday 16 May 2019										
	Offshore Wind Theatre Sponsored by  (Lomond Auditorium)	Carron	Alsh 2	Boisdale 1	Dochart	M4	Dcarbonise Alsh 1 Smart Urban Mobility Solutions (SUMS) Organised with ITS (UK)	Dcarbonise Hall 1	Dcarbonise M2/M3	Dcarbonise Gala
09:00-10:30	Day 2 Plenary (Lomond Auditorium) 'Meet the Minister' – Keynote address by Paul Wheelhouse MSP , Minister for Energy, Connectivity and the Islands, Scottish Government Why might the hydrogen economy finally have its day? Chair and speaker: Matthew Knight , Head of Business Development, Power and Gas, Siemens Speaker: Dr Keith MacLean OBE , Managing Director, Providence Policy Panellists include: Joanna Coleman OBE , Energy Transition Manager, Shell UK									
10:30-11:00	<i>Visit exhibition</i>									
11:00-12:30	Offshore wind 4 Floating offshore wind 1 The road to commercialisation	Corporate PPAs	Hydropower 2019: <i>Organised with the British Hydropower Association</i>	Local Energy - People, Place and Infrastructure	Energy storage 2 Making money from energy storage Sponsored by  BLACK & VEATCH	Grid 2 The changing face of electricity network service mechanisms	SUMS 4 V2G and LCV charging infrastructure	Low carbon heat Policy and setting the scene	Dcarbonise workshops <i>More information coming soon!</i>	The net zero challenge – 1 The challenge <i>Organised by the University of Edinburgh</i>
12:30-14:00	<i>Visit exhibition</i>									
14:00-15:30	Offshore wind 5 Floating offshore wind 2 The next steps forward	Onshore wind 3 Optimisation: Making the most of the data you have and getting a hold of the data you need		Disruptive technology: Blockchain, PPA delivery and technological innovation	Energy storage 3 Large scale storage for energy policy targets Sponsored by  BLACK & VEATCH	Grid 3 Do we even need a transmission network anyway? <i>Organised by SP Energy Networks</i>	SUMS 5 ULEV uptake – buses, cars and fleets + MaaS	LCITP: The transition to a low carbon economy – projects, progress and next steps	Dcarbonise workshops <i>More information coming soon!</i>	The net zero challenge – 2 Emerging solutions <i>Organised by the University of Edinburgh</i>
15:30-17:00	<i>Visit exhibition</i>									

Thursday 16 May – Show Floor Seminar Theatres – 10:30-15:30	Associated Events
<p>The seminar theatres at All-Energy/Dcarbonise are in the heart of the exhibition, benefitting from the buzz and busy-ness of the show.</p> <p>Wave and Tidal Sponsored by </p> <p>Innovation – organised by UKRI (UK Innovation & Research)  -How robotics will be used in the changing energy landscape -Smart local energy systems -How to create net zero industrial clusters in the UK by 2040</p> <p>Energy Storage and Hydrogen Hub</p> <p>Low Carbon Heat</p> <p>Energy Efficiency Sponsored by </p> <p>Research Hub</p>	<p>Thursday 16 May:</p> <p>Investor Breakfast (by invitation) (M1) – 8am-9am Sponsored by </p> <p>POWERful Women Lunch (M1) – 12:30-14:00 Sponsored by  You can register here</p> <p>Meet the Developer Share Fair Over the two-day event, All-Energy will host a series of 1-2-1 'speed dating' meetings in the dedicated Share Fair area, located across the exhibition hall above the central boulevard.
