

Monday 14 September 2020												
	<p>Offshore Wind Theatre Sponsored by (Lomond Auditorium)</p>											
09:00-10:30	<p>Lomond Auditorium: Opening plenary session chaired by Keith Anderson, ScottishPower Civic Welcome: Lord Provost Peter Braat, The Lord Provost of the City of Glasgow Rt Hon Nicola Sturgeon MSP, First Minister of Scotland (invited) The Changing Face of Investment in Renewable and Low Carbon Energy – Victoria Cuming, Head of Policy, BloombergNEF Messages to COP26 – The All-Energy Soapbox speakers on: Just Transition/Industrial Decarbonisation, Low Carbon Heat, Scale and Speed, Hydrogen Councillor Susan Aitken, Leader of Glasgow City Council</p>											
10:30-11:00	Visit exhibition											
11:00-12:30	<p>Offshore Wind 1 Working in partnership with Governments to unlock 40GW by 2030</p>	<p>Energy Systems 1 Planning and innovating for a net zero energy system</p>	<p>Innovate UK Clean Growth Innovation Showcase Hosted by UK Research and Innovation (UKRI) and including networking lunch</p>	<p>Solar The state of the solar nation In association with STA Scotland</p>	<p>Energy from Waste In association with REA</p>	<p>Transmission and networks How access to flexible services helps the journey to net zero</p>	<p>Marine Renewable Energy 1 A strategic look forward</p>	<p>ScottishPower Zero Carbon Communities Zone Sponsored by </p>	<p>Marine Scotland Offshore wind in Scotland: What's next</p>	<p>DCARBONISE Industry decarbonisation 1 Setting the scene Organised with SCCS</p>	<p>DCARBONISE SUMS 1 Transport Investment: National Transport Strategy, Climate Change Plan and STPR</p>	<p>DCARBONISE Smart and Sustainable Cities 1S, sponsored by </p>
12:30-14:00	Visit exhibition											
14:00-15:30	<p>Offshore Wind 2 Supply chain and skills</p>	<p>Energy Systems 2 The future of the UK electricity system</p>	<p>Energy Catalyst Brokerage Session Hosted by UKRI and KTN and including pre-session networking lunch</p>	<p>Onshore Wind 1 Seeing the wood and the trees</p>	<p>Bioenergy In association with REA</p>	<p>Hydrogen and fuel cells 1 Scaling up clean hydrogen Organised with SHFCA</p>	<p>Marine Renewable Energy 2 TIGER - Tidal Stream Industry Energiser Project Organised with ORE Catapult</p>	<p>ScottishPower Zero Carbon Communities Zone Sponsored by </p>	<p>DCARBONISE Energy efficiency in the built environment Policy and setting the scene</p>	<p>Industrial decarbonisation 2 Net zero industrial clusters: Projects</p>	<p>SUMS 2 Preparing the economy for a low carbon future Part 1</p>	<p>Smart and Sustainable Cities 2</p>
15:30-16:00	Visit exhibition											
16:00-17:30	<p>Offshore Wind 3 Offshore Connections</p>	<p>Energy Systems 3 The future of the gas system</p>	<p>Finance & Funding Sustainable investment for net zero</p>	<p>Onshore Wind 2 The BIG Picture</p>	<p>Bioenergy In association with REA</p>	<p>Energy storage 1 Making money from energy storage In association with SHFCA</p>	<p>Marine Renewable Energy 3 Moving Forward</p>	<p>ScottishPower Zero Carbon Communities Zone Sponsored by </p>	<p>DCARBONISE LCITP Heat Projects Organised by Scottish Government, Highlands and Islands Enterprise, Scottish Enterprise, Scottish Futures Trust and Zero Waste Scotland</p>	<p>Industry decarbonisation 3 Technologies and economics</p>	<p>SUMS 3 Preparing the economy for a low carbon future Part 2</p>	<p>Smart and Sustainable Cities 3</p>
18:00	Civic Reception, and Giant Networking Evening at Glasgow Science Centre											

Monday 14 September – Show Floor Seminar Theatres – 10:30-16:30

The seminar theatres at All-Energy/Dcarbonise are in the heart of the exhibition, benefitting from the buzz and busy-ness of the show; and will run 10:30-16:30.

Within All-Energy:

- Offshore Wind - "Innovation to the fore" – sponsored by Shepherd and Wedderburn
- Community and Local Energy – in association with Highlands and Islands Enterprise and Local Energy Scotland
- Hydrogen and Energy Storage – including the 90-minute 'EMEC: Hydrogen updates from EMEC and friends'. In association with SHFCA
- The Research and Innovation Hub

Within Dcarbonise sponsored by Scottish Government, Energy Saving Trust and Zero Waste Scotland

- Low carbon heat
- Energy efficiency in the built environment

Associated Events

Meet the Developers: <https://www.all-energy.co.uk/en/Visit/Whats-On/Meet-the-Developer-Share-Fair/>

- Carruthers Renewables
- DeepWind Cluster (North of Scotland Offshore Wind Cluster)
- East Anglia THREE (EA3)
- Floating Wind Centre of Excellence
- Forth & Tay Offshore Cluster
- Inch Cape Offshore Wind Farm
- Iona Capital
- Irish Sea Contractors
- Marubeni
- Neart na Gaoith
- Seagreen Phase 1
- TIGER Project
- Wave Force Energy
- VerdErg

Tuesday 15 September 2020													
	Offshore Wind Theatre <i>Sponsored by</i> (Lomond Auditorium)												
09:00-10:30	Lomond Auditorium Chaired by Jim Smith, Managing Director, SSE Renewable 09:00 Meet the Minister: Paul Wheelhouse MSP (provisional) 09:30-10:30 Build up to COP 26 Rt Hon Alok Sharma, President COP 26 (invited). Chris Stark, CEO, Committee on Climate Change												
10:30-11:00	Visit exhibition												
11:00-12:30	Offshore Wind 4 Floating wind 1 Moving forward	Energy systems – 4 The future of the UK oil and gas industry	Hydropower 2018: Organised with the British Hydropower Association	Onshore wind 3 The BIG picture	Local energy systems Organised with Highlands and Islands Enterprise and Local Energy Scotland	Hydrogen and fuel cells 2 Growing the market In association with SHFCA	Corporate PPAs	ScottishPower Zero Carbon Communities Zone 	Local Energy Ecosystem – how you can participate 1 	DCARBONISE Low carbon heat Policy and setting the scene	DCARBONISE SUMS 4 Decarbonising transport with intelligent transport systems	DCARBONISE Social Housing Retrofit Scaling up domestic retrofit in Scotland to deliver net zero Organised with The Retrofit Academy and Osmosis	
12:30-14:00	Visit exhibition							Diversity: The Workforce Required to Meet Net Zero	Visit exhibition				
14:00-15:30	Offshore Wind 5 Floating wind 2 Realising the full potential: practical steps for particular challenges In association with Peel Ports and Strathclyde University	Beyond energy: A climate positive, net negative, Scotland after 2045 In association with University of Edinburgh	Pathways to net zero recommendations from bio, networks, solar and offshore renewable energy experts Organised by Supergen	Onshore wind 4 Data is life	Island Energy Organised with Highlands and Islands Enterprise	Energy storage 2 Innovation in energy storage In association with SHFCA	Disruptive technology and PPA delivery methods	ScottishPower Zero Carbon Communities Zone 	Local Energy Ecosystem – how you can participate 2 	Industrial Decarbonisation 3 Organised with SCCS	SUMS 5 Air quality in Scotland	DCARBONISE Social Housing Retrofit Scaling up domestic retrofit in Scotland to deliver net zero Organised with The Retrofit Academy and Osmosis	
15:30-16:00	Visit exhibition												

Tuesday 15 September – Show Floor Seminar Theatres – 10:30-15:30	Associated Events
The seminar theatres at All-Energy/Dcarbonise are in the heart of the exhibition, benefitting from the buzz and busy-ness of the show and will run 10:30-15:30. Within All-Energy: <ul style="list-style-type: none"> • Wave and Tidal Innovations - sponsored by Shepherd and Wedderburn Including the 90-minute 'EMEC speed updates from EMEC and friends' • Hydrogen and Energy Storage – in association with SHFCA • Path to Net Zero • The Research and Innovation Hub Within Dcarbonise sponsored by Scottish Government, Energy Saving Trust and Zero Waste Scotland <ul style="list-style-type: none"> • Energy efficiency in the built environment • Low carbon heat 	Meet the Developers: https://www.all-energy.co.uk/en/Visit/Whats-On/Meet-the-Developer-Share-Fair/ <ul style="list-style-type: none"> • Carbon Capture & Storage Association • DeepWind Cluster (North of Scotland Offshore Wind Cluster) • Forth & Tay Offshore Cluster • Inch Cape Offshore Wind Farm • Irish Sea Contractors • VerdErg Wave Force Energy
