

Wednesday 11 May 2022											
	Lomond	Forth	Carron	Dochart	Boisdale 1	M2/M3	M4	Gala	Hall 1	Alsh 1	Alsh 2
09:00 – 10:30	<p align="center">Opening plenary session (Lomond Auditorium)</p> <p align="center">Speakers: (Chair) Keith Anderson, CEO, ScottishPower; Rt Hon Nicola Sturgeon MSP, First Minister of Scotland; Annemarie O'Donnell, Chief Executive, Glasgow City Council; Jonathan Brearley, CEO, Ofgem; David Bunch, Country Chair, Shell UK; Steve Scrimshaw, Vice President, Siemens Energy; Rachel McEwen, Chief Sustainability Officer, SSE; Professor Karen Turner, Director, Centre for Energy Policy, University of Strathclyde</p>										
10:30 – 11:00	<p align="center">Visit exhibition</p>										
11:00 – 12:30	<p>Offshore wind 1</p> <p>Looking back to look forward</p> <p><i>Sponsored by</i></p> 	<p>Hydrogen and fuel cells 1</p> <p>Deployment and scale</p> <p><i>In association with Scottish Hydrogen and Fuel Cell Association</i></p>	<p>Energy systems 1</p> <p>Planning the transition to net zero</p>	<p>Solar</p> <p>Delivering 4-6GW of solar in Scotland by 2030 – an agenda for change</p> <p><i>In association with Solar Energy Scotland</i></p>	<p>Marine energy 1</p> <p>The energy jigsaw - does marine energy fit?</p> <p><i>In association with UK Marine Energy Council</i></p>	<p>Bioenergy 1</p> <p>Bioenergy: An unsung hero in the energy transition?</p> <p><i>Organised with the REA</i></p>	<p>A Just Transition – what does it mean to you?</p> <p>This session builds on our 2021 webinar – ‘Keeping it real: An inclusive transition to net-zero’</p>	<p>Innovate UK</p> <p>Energy Catalyst Brokerage by Innovate UK 11:00 – 13:30</p>	<p>Finance and funding: Places</p> <p>The Great Decarbonisation Challenge - place based solutions and mobilising finance</p> <p><i>Sponsored by</i></p> 	<p>Transport decarbonisation</p> <p>Keynote address by Jenny Gilruth MSP, Transport Minister, Scottish Government</p> <p><i>In association with Transport Scotland</i></p> <p><i>Sponsored by</i></p> 	<p>Built environment decarbonisation</p> <p>Energy efficiency is heat efficiency</p> <p>Keynote address by Patrick Harvie MSP, Minister for Zero Carbon Buildings, Active Travel and Tenants' Rights</p> <p><i>In association with The Scottish Government and Energy Saving Trust</i></p>
12:30 – 14:00	<p align="center">Visit exhibition</p>										
14:00 – 15:30	Offshore wind 2	Energy storage 1	Energy systems 2	Onshore wind 1	Marine energy 2	Waste to Energy in 2022: Power	Spotlight on Canada: smart	Innovate UK	Finance & Funding	Italy	Decarbonising heat 1

	<p>Supply chain and skills: Opportunities and challenges</p> <p><i>Sponsored by</i></p> 	<p>Keeping the lights on</p> <p><i>In association with Scottish Hydrogen and Fuel Cell Association</i></p>	<p>Energy systems integration using hydrogen</p>	<p>The landscapes of the future</p>	<p>TIGER – Tidal Stream Industry Energiser Project</p> <p><i>Organised by ORE Catapult with TIGER partners</i></p>	<p>production and beyond</p> <p><i>Organised with the REA</i></p>	<p>grid and storage solutions to enable the energy transition</p> <p><i>Organised by the High Commission of Canada</i></p>	<p>Innovation needs in supporting our urban environments achieving net zero</p>	<p>Greenbackers Climate Tech Tour at All-Energy</p> <p>Investment for net zero Panel discussion 14:00 – 15:00</p> <p><i>Sponsored by</i></p>  <p>Greenbackers Climate Tech Tour at All-Energy</p> <p>The Super Pitch 15:30 – 17:30</p> <p><i>Sponsored by</i></p> 	<p>Decarbonisation solutions for transport infrastructure: Italian know-how and expertise</p> <p><i>Organised by Italian Trade Agency and OICE Italian engineering, architectural and technical economic consulting organizations association</i></p>	<p>Heat transformation: The case for low carbon heating solutions</p> <p><i>In association with The Scottish Government and Energy Saving Trust</i></p>
15:30 – 16:00	Visit exhibition									Visit exhibition	
16:00 – 17:30	<p>Offshore wind 3</p> <p>Offshore Transmission – what happens next?</p> <p><i>Sponsored by</i></p> 	<p>Hydrogen & fuel cells 2</p> <p>Transition to Net Zero</p> <p><i>In association with Scottish Hydrogen</i></p>	<p>Energy systems 3</p> <p>Security of supply in the future, zero carbon electricity system</p>	<p>Onshore wind 2</p> <p>Making the most of things: Wind farms and grid optimisation</p>	<p>Marine energy 3</p> <p>Moving forward</p>	<p>Bioenergy 2</p> <p>Biogas and biofuel to the fore</p> <p><i>Organised with the REA</i></p>	<p>Skills and training</p> <p>Recruiting and training the thousands of people needed</p>	<p>Industry decarbonisation 1</p> <p>Setting the scene</p>		<p>Supply chain decarbonisation</p> <p>What steps do organisations of all sizes need to take?</p>	<p>Decarbonising heat 2</p> <p>Innovative solutions - Identifying new technologies to decarbonise the built environment</p>

Thursday 12 May 2022										
	Lomond	Forth	Carron	Dochart	Gala	Alsh 1	Alsh 2	Boisdale 1	M4	Hall 1
09:00 – 10:30	<p align="center">Opening Plenary Session (Lomond Auditorium) A national endeavour: Decarbonising the GB Power System by 2035 Speakers: (Chair) Matthew Knight, Head of Market Development, Siemens Energy UK; Chris Stark, CEO, Climate Change Committee; Guy Newey, Director of Strategy and Performance, Energy Systems Catapult; Lindsay McQuade, CEO, ScottishPower Renewables; Hannah Bronwin, Director of Business Development, SSE Thermal</p>									
10:30 – 11:00	Visit exhibition									
11:00 – 12:30	<p>Energy systems 4</p> <p>An Integrated Energy Vision economic opportunity: Scotland and global</p> <p>Keynote address by Michael Matheson, Cabinet Secretary for Net Zero and Transport</p> <p><i>In association with Net Zero Technology Centre</i></p>	<p>Hydrogen & fuel cells 3</p> <p>Innovation</p> <p><i>In association with Scottish Hydrogen and Fuel Cell Association</i></p>	<p>Offshore wind 4</p> <p>Floating wind: The road ahead</p> <p><i>Sponsored by</i></p> 	<p>Onshore wind 3</p> <p>The long game: Repowering and life extension</p>	<p>Industry decarbonisation 2</p> <p>Determining the mix - and getting finance</p> <p><i>Sponsored by</i></p> 	<p>Community & local energy</p> <p>Community heat</p> <p><i>Organised jointly by Local Energy Scotland and Highlands & Islands Enterprise</i></p>	<p>Hydropower 2022 11:15 – 12:45</p> <p><i>In association with British Hydropower Association</i></p>	<p>Grid & networks</p> <p>23 years till net zero: Can our networks achieve it?</p>	<p>ScotWind and INTOG – Progress and Plans</p> <p><i>Organised by Scottish Government – Marine Scotland Directorate</i></p>	<p>PPAs in focus</p> <p>Let's talk PPAs and their role in the energy transition</p>
12:30 – 14:00	Visit exhibition									
14:00 - 15:30		Energy storage 2	Offshore wind 5	Onshore wind 4	Industry decarbonisation 3	Community & local Energy	Disruptive technology,	Decarbonising Industrial Clusters		

		<p>Batteries not included? PHS, Kinetics & H2</p> <p><i>In association with Scottish Hydrogen and Fuel Cell Association</i></p>	<p>Floating wind: Opportunities and challenges</p> <p><i>Sponsored by</i></p> 	<p>Digitalisation: The path from extractivism to interactivism</p>	<p>Solutions</p>	<p>Taking a Whole Systems Approach to Energy – Decarbonising Islands</p> <p><i>Organised jointly by Local Energy Scotland and Highlands & Islands Enterprise</i></p>	<p>digitalisation and security</p>	<p><i>Organised by UK Research & Innovation (UKRI)</i></p>		
16:00	Show closes									

Show floor theatres in operation today: With back-to-back presentations throughout the day (10:30-15:30): Marine renewables, sponsored by Shepherd and Wedderburn; Hydrogen and energy storage sponsored by Doosan Babcock; Innovation; The Research Hub; Decarbonising Heat in association with The Scottish Government and Energy Saving Trust; Built environment decarbonisation in association with The Scottish Government and Energy Saving Trust; Decarbonising Transport, sponsored by Shell, in association with Transport Scotland
